

The Key to Success is You!!Manage Yourself so No One Else Has to!

Keys to Success (Classroom Management)

Be Respectful & Kind to All .

You will be expected to work with a variety of people within the classroom, not just your friends. We live in a world that interacts, collaborates, & depends on each other; therefore, our classroom needs to reflect an ability to work well with all types of people & cultures. Derogatory (belittling, damaging) comments about Hispanics or anyone else will result in a detention & written apology. Use appropriate, uplifting language in my classroom.

No Cell Phone / Game/Music Devices Usage in Classroom W/O Permission

*Unless we are doing an activity that I give permission to take out cell phones, you are to leave them **TURNUED OFF & IN** your purse or pocket! Same goes for other devices. If I see them, I will take them!*

 **Every minute matters & will affect your learning!**

Be Here & on Time!

Chronic absences will cost you! Quizzes & assessments cannot be completed during class time. They must be done during your study hall / G.L. U, lunch time or before / after school!

You are permitted to use the bathroom/locker 2x per Nine Weeks. Use that privilege wisely!

 **Every minute matters & will affect your learning!**

Be Prepared! *Bring your pen/pencil, notebook, homework to class.*

Be Alert & Ready to Participate!

No Siestas allowed. (No sleeping or head down)

No working on other subjects - I will take it and you will not get it back until the end of the day!

 **Every minute matters & will affect your learning**
